Lisa,

We mailed out reminders last week to all the property BIDs regarding the submission of their 2017 assessment data for placement on the County's tax rolls.

In case you haven't received the letter yet here is a copy of it and the attachments for submitting the 2017 assessment data.

Also attached for your reference is the 2016 assessment data for your BID after all the parcel changes and other adjustments were made from the initial submission.

Please read and follow the instructions in the letter.

Thank you.
